

Scrapbooks in an Evening

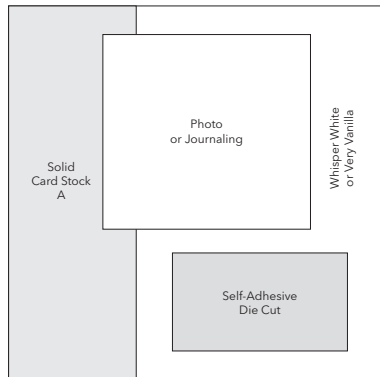

If you attended the Toronto regional, we promised you a pattern of the 6 x 6 scrapbook that can be made in one stamp camp. The pages shown below can be adapted to various Simply Scrappin® kits. Please keep in mind that the design is simple so it can be completed in one evening or event, but feel free to embellish to your own taste. Enjoy!

Each Simply Scrappin® kit includes:

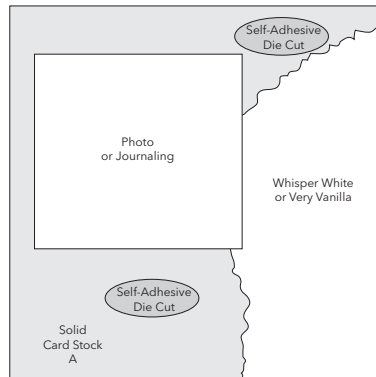

- 12x12 neutral card stock (Whisper White or Very Vanilla)
- 12x12 solid-colour card stock (2 colours, Card Stock A & B)
- 12x12 patterned card stock (2 patterns; Patterned Card Stock A & B)
- Self-adhesive die cuts and quick strips.
