If you love digital art and scrapbooking, or just sharing photos, the Digital+ Starter Kit is for you! It features a copy of My Digital Studio™, which is a digital crafting solution filled with Stampin' Up!'s exclusive artwork and colors. You can create digital scrapbooks, individual scrapbook pages, greeting cards, and calendars, and print them out from home, or use Stampin' Up!'s professional print service. You can also create interactive slideshows of your digital albums to share with family and friends, or export your creations as a .jpg (picture) file.

Please contact me if you have more questions or would like recommendations on customizing your Digital+ Starter Kit or Stampin' Memories Add-On Kit. If you are ready to become a demonstrator, just go to the link below and enter my Recruit Authorization Password to get started: **newdemonstrator**
