

Holiday mini catalog

September 1, 2011-January 3, 2012

inspire. create. share.®

Dear friends,

I can't believe we're heading into the holiday season already; I don't know why it always catches me by surprise when time moves so quickly . . . you'd think I'd be used to it by now!

And as I looked through this mini, I got even more excited for the upcoming holidays. I love that we have a suite for every holiday. I can't wait to get my hands on these products (like we don't already have plenty to do during the holidays, right?). But I can tell that in addition to carving turkey, I'll be carving time into my schedule to create fun holiday projects.

I also have to mention the Simply Scored™ scoring tool; I've been looking forward to this product for a long time, and I'm certain you'll agree that it's a must-have for any stamper! It saves a ton of time, especially when you're creating multiple projects (invitations, announcements, favors, etc.).

Of course, the stamp sets are wonderful, offering a wide range of styles and images. And I'm excited about what I call the "novelty" products—the cellophane bags (perfect for small treats or favors), larger-than-life Designer Buttons, Glimmer Paper (back from last year's mini by popular demand), and the Mini Jingle Bells. Fun!

And, of course, this time of year is the ideal time to join our Stampin' Up®! family. Besides receiving a great discount on all our products, you can enjoy being part of a business that allows you to earn a little extra money, set your own hours, and create lasting friendships—not to mention have a lot of fun! Those are wonderful perks any time but during the holiday season, that's exactly the kind of opportunity people are looking for! Wishing you the happiest of holidays!
