SHOP MY ONLINE STORE AT <http://kimberley.stampinup.net>

For customer purchases, you get to pick one Sale-a-Bration (SAB) FREE item for every \$50 in merchandise on your order. This applies whether you shop my Online Store, or you place your order with me directly, even if you place an order to count towards a Host's party sales. Stampin' Up! has featured several projects throughout the Sale-a-Bration brochure with suggestions of product to buy (to make that project), which will put you over \$50. You do NOT have to purchase those items in order to get the FREE item(s) featured on those projects. Those project ideas are just provided for inspiration. If you aren't interested in recreating those projects exactly, just focus on the items in the brochure highlighted with the gold colored banner that says FREE in white script.

Also notice that much of the product that is available for FREE has coordinating product in the Occasions Mini Catalog and the Annual Catalog...

- The Botanicals for You stamp set, and Botanical Gardens vellum stack, coordinate with the Botanical Gardens Product Suite on pages 26-27, and the Suite Sayings stamp set on page 41.
- The Memories in the Making Project Life Specialty Card Collection coordinates with the Memories in the Making Project Life collection on pages 42-43.
- The Perfect Pairings stamp set goes well with the Chalk Talk Framelits from the Annual Catalog, page 173.
- The Honeycomb Happiness stamp set coordinates with the Honeycomb Embellishments on page 9 of the Occasions Catalog...they fit in the birdie's little belly, on the ice cream cone, and in the balloon image (this is my favorite SAB set! so cute!!!).
- The Wildflower Fields Designer Series Paper, and the Flowering Fields stamp set on page 12 of the brochure are both SAB FREE items which actually coordinate with each other, and the Greatest Greetings stamp set on page 23 of the Occasions Catalog would add great variety.
- Party Pants stamp set coordinates with Balloon Bouquet Punch on page 13 of the Occasions Catalog.
- White Glitter Tape can be colored with ink, using Stampin' Spritzers, or Sponge Daubers, by placing desired strip of tape on Silicone Craft Sheet (for easy clean up and removal).

Don't miss these other FREEBIES you can get during Sale-a-Bration, noted at the front of the brochure:
