## • DEAR FRIENDS •

30 years ago, I took a leap of faith and stepped into the crafting world—not realizing for a moment that my desire to share creativity and enjoy the company of friends would lead to a company that would touch the lives of so many people.

When I look at our catalog from thirty years ago, I can hardly believe how much has changed. We went from selling individual stamps and two pages of accessories to the incredible assortment of papercrafting supplies we have today. And while our focus has always been stamps, ink, and paper, we now offer so much more—from kits to die-cutting to memory keeping.

Without a doubt, the most exciting part about Stampin' Up!® for me has been the relationships I've formed and the wonderful people I've met. And countless others have told me that they've enjoyed the same experience. Their love for stamping and sharing creativity has led to lifelong friendships and exciting adventures—which for me has been the most satisfying thing of all about this creative journey.

I have to give a shout-out to our amazing demonstrators, who have been our strength for thirty years. By sharing what they love and teaching and helping others, they have made us the company we are and what we will ultimately grow into being.

As you look through the pages of this catalog, I hope you'll think of it as the product of years of love and hard work, learning and growing and trying to be the best we can be. I'm personally so grateful to have been a part of Stampin' Up! for thirty years, am thrilled to celebrate this special anniversary with you, and can't wait to see what the future holds!

Enjoy the catalog, everyone!

*“Last year I sent birthday cards to anyone that asked for one. I told people about it on social media, and a woman replied asking for a birthday card. 30 YEARS OF  
 LOVE, THANKS  
 & SUPPORT

*“Last year my goal was to send one card each week—thank-you cards, thinking of you, but mainly just encouragement. My then 13-year-old son made a card for his teacher and left it on her desk. I found out about it when the teacher told me how touched she was and how it brought her to tears to read his words of encouragement. I love that my example of making someone’s day brighter by sending a card inspired my son to do the same.”*

# TEXTURED IMPRESSIONS EMBOSSING FOLDERS

Textured Impressions Embossing Folders quickly add texture to paper. We offer two types of embossing folders: standard and dynamic.

## STANDARD TEXTURED IMPRESSIONS EMBOSSING FOLDERS

Standard embossing folders are slim and require two Standard Cutting Pads.

## 3D DYNAMIC TEXTURED IMPRESSIONS EMBOSSING FOLDER

Dynamic embossing folders are thicker and create deeper embossed impressions than standard embossing folders. Run through Big Shot spine first. Use with only one Standard Cutting Pad.
